Click on the link above to sign up

This is a Ladies Golf Clinic open to all levels and geared towards beginner and intermediate players. The clinic will last 4 weeks and will cover every part of the game. We will build from the ground up covering all aspects of the game of golf with the emphasis on fun! Each week we will spend 45 minutes working on your game before heading out on the course for the last 45 minutes to practice and apply the learned skills.
